

Employer Portal Quick Reference Guide

Adding a New Employee

The WealthCare Administration (WCA) system has recently undergone a refresh and redesign of the administrator user interface. The new user interface aims to simplify and streamline employer and administration system workflow – to provide a better user experience while using the platform.

This quick reference guide covers how to access the following screens within WealthCare Administration:

- New Employee
- New Dependent
- Benefit Accounts for Employees and Dependents
- Benefit Cards for Employees and Dependents

Contents

New Employee	2
New Dependent	3
New Benefit Accounts	3
New Cards	4
Personalized User Navigation Tiles	4

New Employee

All Employee-related pages are grouped under the Employee section of the new Main Menu. To add a new employee, click the "New" link under the Employee sub-section of the Employee menu. This will take you to the New Employee page. The content of this page has not changed from the previous user interface, as you can see below.

Main Menu > Employee > Employee > New

New Employee Main Menu

EMPLOYEE / Employee
New Employee

Admin: Employer:

Demographic Information

Name Prefix: First Name*: Initials:

Employee ID*: Employee Status:

Billing Address:

Address 1*: Address 2:

City*: State*: Zip:

Country*:

Similar to the previous user interface, once new employee data is entered and saved, you will be routed to a screen that allows you easy access to add HR information, a card, benefit accounts, and dependents.

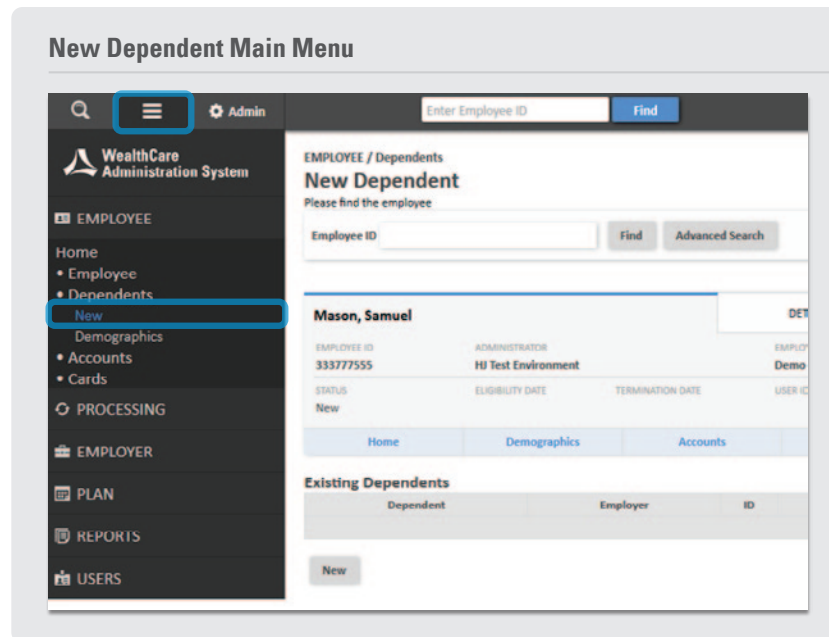

New Employee

Employee was saved successfully

Employee	HR Info	Card	Benefits	Dependents
Mason, Samuel	Add HR Information	Add Card	Add Benefits Accounts	Add Dependents

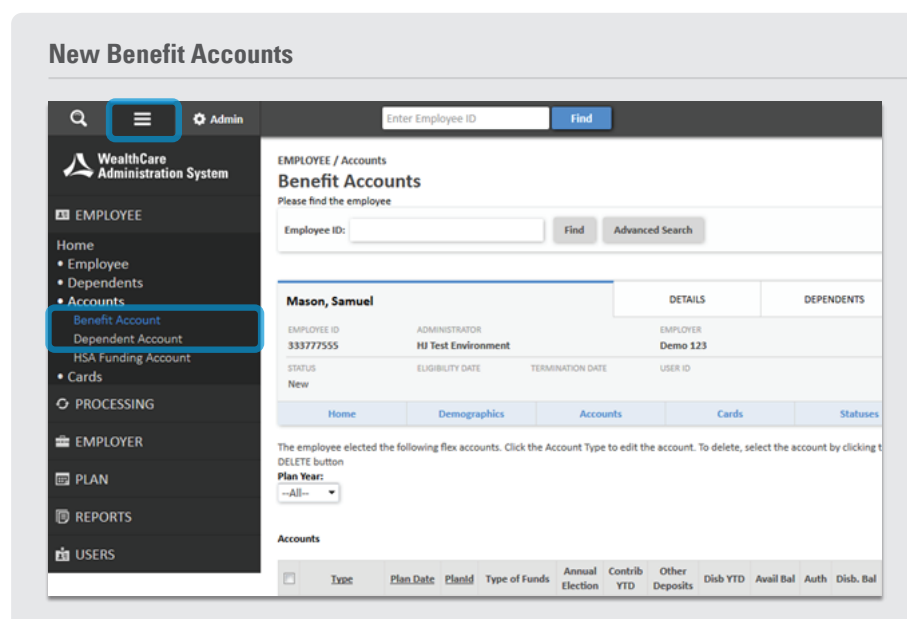

New Dependent

A new dependent can also be added via the "New" link under the Dependents subsection of the Employee menu, as seen below.

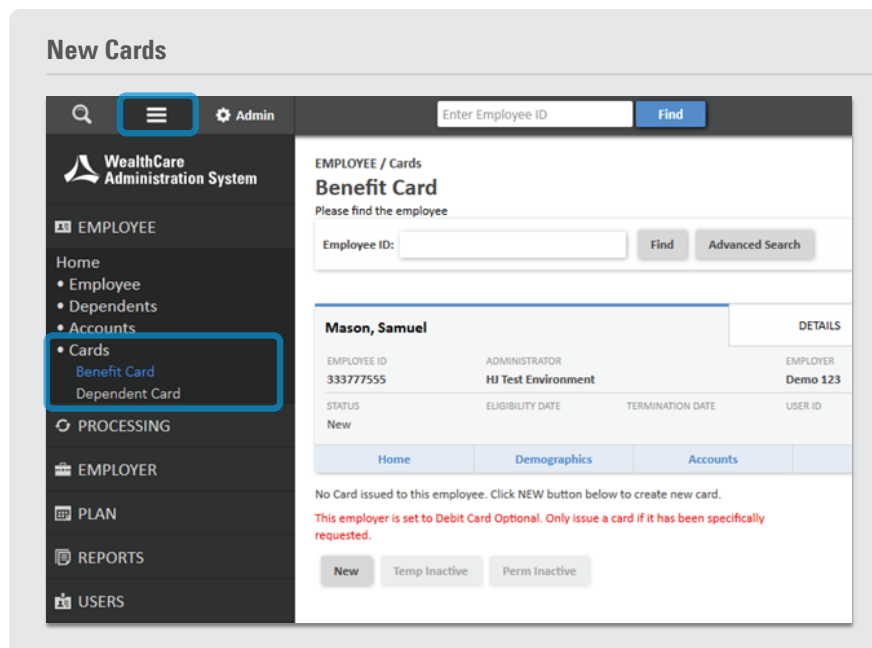

New Benefit Accounts

To add benefit accounts for employees or dependents, expand the Benefit Account subsection of the Employee menu as shown below. The "Benefit Account" link gives you access to add benefit accounts for employees; and the "Dependent Account" link allows you to add benefit accounts for dependents. Both screens contain content identical to the previous interface.

New Cards

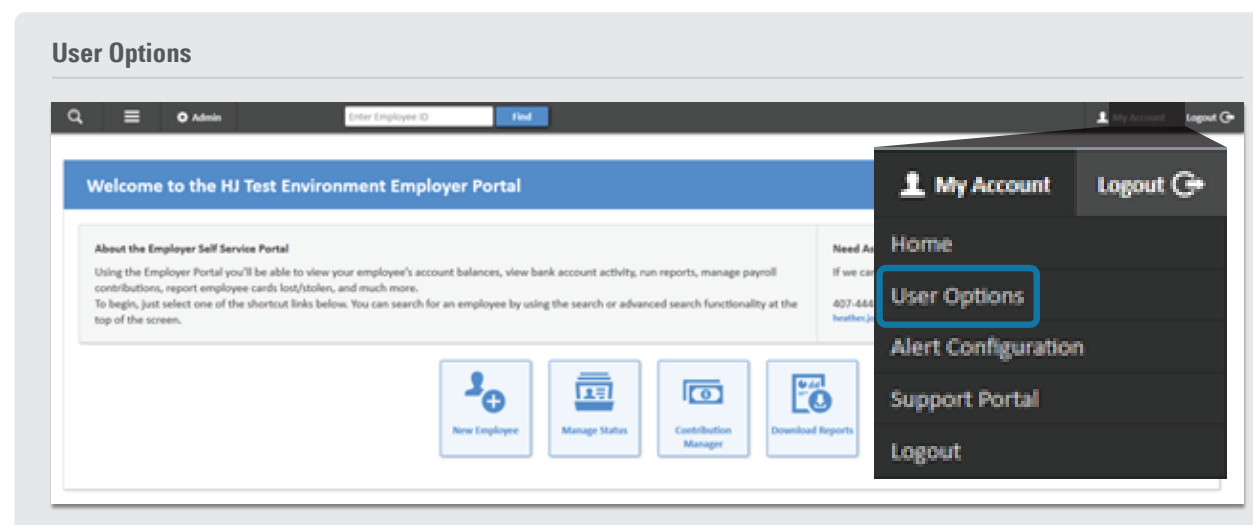

To add a card for employees or dependents, expand the Cards subsection of the Employee menu. As in the other screens covered in this document, the content is the same as the previous user interface.

Personalized User Navigation Tiles

Access to some of the pages and screens mentioned throughout this document is now easier than ever. Thanks to the new personalized user navigation tiles, users can now customize up to 10 shortcuts for easy access – from anywhere within the application. This powerful new level of customization allows individual employer users instant access to their most frequently used pages, eliminating the need to click through multiple menus.

Users can select their shortcut tiles using the 'my account' menu, found under the 'user options' button, as shown below:

Under Links, users can select their chosen shortcuts on the left, and click “Add” to toggle them to the right, and save.

Links

The screenshot shows a configuration window for links. It has two main columns: 'Available Links' on the left and 'Selected Links' on the right. Between them are 'Add' and 'Remove' buttons. The 'Available Links' list includes: Direct Deposit Info, Employee Interactions, Employer Documents, Employer Interactions, Employer Users, HSA Reports, Submit Deposits, and View Reimbursements. The 'Selected Links' list includes: Contribution Manager, Download Reports, Employee Home, HSA Funding Account, Manage Status, Metrics, New Employee, Participant Users, Transaction History, and View Accounts. There are also counts '8' and '7' next to the lists.

Available Links:		Selected Links
Direct Deposit Info	8	Contribution Manager
Employee Interactions		Download Reports
Employer Documents		Employee Home
Employer Interactions		HSA Funding Account
Employer Users	7	Manage Status
HSA Reports		Metrics
Submit Deposits		New Employee
View Reimbursements		Participant Users
		Transaction History
		View Accounts

Once configured, navigation tiles will appear on the application home page, as well as the new WealthCare Administration system navigator. To access the WealthCare Administration system navigator, select the magnifying glass in the upper left corner of any application page.

The screenshot shows the WealthCare Administration system navigator. At the top is a dark header with a magnifying glass icon, a menu icon, an 'Admin' button, and a search bar labeled 'Enter Empl'. Below the header is a 'LINKS' section with a 'Refresh Current Page' button. It contains ten navigation tiles: Employee Home, New Employee, Transaction History, Manage Status, View Accounts, HSA Funding Account, Contribution Manager, Metrics, Download Reports, and Participant Users. Below the links is an 'EMPLOYER' search section with a 'SEARCH ALL' button, a 'Search Employers' input field, and a 'Find' button. Below that is an 'EMPLOYEE' search section with a 'DEPENDENT' button, a 'SEARCH BY' dropdown menu set to 'Employee ID', an 'Enter Employee ID' input field, and a 'Find' button.
